### MOU with Universiti Tun Hussein Onn Malaysia (UTHM)

**Kuala Lumpur, 24 November 2022** – Global Facilities Management Sdn Bhd (“GFM”) has entered into a Memorandum of Understanding (“MoU”) with Universiti Tun Hussein Onn Malaysia (“UTHM”) today to formalise their joint commitment to strengthen, encourage and develop cooperation in the fields of academics, education, research and related matters for mutual benefit.

Under the MoU, GFM and UTHM will collaborate in several initiatives including, among others:

- The implementation of Bachelor’s Degree and Doctor of Philosophy programs conducted by UTHM, where GFM researchers are co-supervisors;
- Conducting joint research related to facility management;
- Knowledge and expertise sharing in the delivery and transfer of knowledge, such as training of UTHM employees at GFM and vice versa;
- Provide UTHM final year students with Industrial Training opportunity at GFM; GFM to absorb students from UTHM as permanent employees according to suitability and needs; and
- Carrying out Corporate Social Responsibility (“CSR”) activities.

Through this collaboration, GFM is committed to support the advancement of youths and employees in higher education institutions like UTHM in Malaysia by sharing its expertise in facilities management, while providing opportunities to students to enhance their professional development with GFM.
